Fundraiser Period:	

Please open an account for our organization with More Prepared. I (we) understand that our organization will make 10% of the gross sales price of all purchases made by customers either on More Prepared's website (www.moreprepared.com), by phone or through order forms faxed or mailed to More Prepared. This 10% does NOT apply to any sales taxes or shipping charges paid by the customer. The customer MUST note either our organization's name or code (to be provided by More Prepared below) within the order (i.e. the comments or special code section) in order for our organization to receive credit for the sale. I understand that checks will be sent to us on a periodic basis throughout the fundraiser period if fundraiser period is longer than six months.
